

Information

Class	Karma
Project Name	Student Project 2
Student	Sebastian Alfes
Working Period	15.3.2013 - 18.3.2013
Presentation Date	19.3.2013
Teacher	
- Seb	Computer
- Chris	English

Tasks

- copy this project description into a Word 2010 file
- write 10 simple sentences / root sentences
- list all of them as a bullet list
- for each root-sentence, make three changes (if you can) while keeping the sense
- list each change you make as sub-list of the root-sentence
- highlight the final change of the root-sentence with a color

Final Task

- write down the root sentence together with the final sentence on a real paper with a real pen to present it to Chris's class on **Tuesday**

Example from Seb

- I went to McLeod Ganj.
 - Today, I went to McLeod Ganj.
 - Today, I went to McLeod Ganj to drink a tea.
 - Today, I went to McLeod Ganj to drink a tea, because the weather was so nice.
- The balance of my phone is 5 RS.
 - The balance of my phone is 5 RS, so I can not call my parents.
 - The balance of my phone is 5 RS, so I can not call my parents and I have to recharge it.
- I drink a black tea.
 - Each morning, I drink a black tea.
 - Each morning, when I wake up, I drink a black tea.
 - Each morning, when I wake up, I drink a black tea to feel not so tired.
 - Each morning, when I wake up, I drink a black tea that I bought in Dharamsala to feel not so tired.
- The monkeys try to steal the bananas
