If you have studied in India in a school before, did you study any kind of computer topics?	Have you ever been taught / lived in a monastery?	If yes, how long have you been taught / living in a monastery?	Do you feel the school provides enough material things to support learning, like books, pens, paper, computers, ...?	Do you think the weather (like hot sun in summer, cold air in the winter or the heavy rain in monsoon) has any kind of negative effect on your personal condition at any time in the classes?	Do you think there is too much noise (from cars, fans, other students, ...) during the class?	Did you ever feel hungry during any of your classes?	Do you always feel that you can always ask any question in computer class?
