# Changing the Menu

- change the order of your pages in the menu
- the lower the number is, the more left the page will be
- the higher the number is, the more right the page will be

Custom Menu

- create a custom menu

- first, enter a new name for you menu, like "My new menu"
- then click on "Create Menu"

- after you menu has ben created, select that menu as you "Primary Menu" and click on save

- after you menu has ben created, select that menu as you "Primary Menu" and click on save
- now, you can add different things to you menu like Pages, Categories or custom links
- Now
